The different organizations which form the city cribbage league are requested to appoint committees during this month to make arrangements for the usual cribbage tournament during the winter.

Rogers & Grady, the enterprising top-toe clothing outfitters, offer a grand prize to the boys of the public schools. They will give 12 sweaters to the 12 boys who receive the highest marks for deportment during the last three weeks in October. This is a good chance to earn a sweater for the winter. All boys trying for these prizes must come to the store and enter their names among the competitors.

THE TILLMAN TRIAL

More Witnesses Tell of Threats by Defendant.

Lexington, S. C., Oct. 9.—James Davis of Edgefield was on the stand when the trial of J. H. Tillman was resumed. He said he did not hear the defendant make any threats in the presence of O. D. Black while riding on a train from Johnston to Columbia. On cross examination he said he did not know Black.

Colonel L. Blenise was asked to state what was said in the defendant's room at the hotel in Columbia at the time Dr. Adams was present. He said he was reading editorials from the State either on the night of Aug. 20 or 21 of last year. He said Dr. Adams advised the defendant to go down to the State office and whip Mr. Gonzales and that Mr. Tillman replied that would not do, as he was lieutenant governor and would be impeached. Asked as to a statement made on the stand by Dr. Adams, the witness said Mr. Tillman said: "You boys need not worry. If he attacks me, I'll snuff his life out with this."

Continuing, the witness said that Mr. Tillman's response to something Mr. Gonzales was stated to have said about mock theatricals was, "If he attempts to carry out one of his threats I'll make it the tragedy that ever happened."

Are you about to build? If so see that your builder's contract has a clause providing that the structure shall be erected by union labor which will insure you of good work and a job completed without delay. Per order Union 481, Carpenters and Joiners of America. S. R. Doty, Sec.

COW GIRL'S PROWESS

Roosevelt's Friend Wins \$1,000 Prize in Steer Roping Contest.

Chicago, Oct. 9.—A dispatch to the Tribune from South McAlester, I. T., says that Lucille Mulhall, eighteen years old and a friend of President Roosevelt, has won the \$1,000 steer roping contest here, defeating the best known cowboys in the southwest.

The conditions were that three steers were to be roped and tied in the fastest time, and the contest was open to all. Miss Mulhall threw her first steer and tied it up in forty-five seconds. The second required one minute and eleven seconds, while the third was roped, thrown and tied in the remarkably fast time of forty seconds.

Appendicitis Causes Confession.

Chicago, Oct. 9.—Lucy Miles, twenty-two years of age, who is critically ill at the county hospital as a result of an operation for appendicitis, has confessed to having committed thefts of silverware and clothing valued at \$700 from the Colonial hotel, Coney Island, N. Y., while employed there as a maid. Five hundred dollars' worth of the stolen goods was recovered from a State street hotel, and the remainder was found in a pawnshop in Cleveland.

Monument at Chattanooga Dedicated

Chattanooga, Tenn., Oct. 9.—The monument erected to the memory of the soldiers of Maryland who participated in the battles around Chattanooga was dedicated at Orchard Knob, near the location of Grant's headquarters. A party of distinguished Marylanders arrived here at an early hour to attend the dedication. Governor Smith was unable to attend and was officially represented by State Comptroller Herring.

A LONG- FELT WANT.

It Is Supplied at Last in Barre.

Good-natured people are often irritable. If you knew the reason, you would not be surprised.

Ever have itching piles? Not sick enough to go to bed; not well enough to be content.

The constant itching sensation. Hard to bear, harder to get relief. Spoils your temper, nearly drives you crazy.

Isn't relief and cure a long-felt want? You can have relief and cure if you will follow the advice of a local citizen.

F. S. Sandler (farmer) of West Topsham, says: "I was subject to itching hemorrhoids, commonly called piles, for a number of years despite the use of innumerable salves and ointments brought to my notice by friends and acquaintances and through the Barre newspapers and other sources of information. The malady, disease or complaint, term what you will, was often bad enough in the winter, but in hot weather the itching and annoyance was unendurable. I heard of Doan's Ointment and got a box at E. A. Drown's drug store in Barre. When it effectually stopped such an old and chronic case as mine, which had resisted every effort on my part to check it, let alone cure, I have often wondered what this remedy would do in the incipient stages of that far too common annoyance, piles."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

OSTEOPATHY

Brings Relief to the Chronic Sufferer
